Dear Daniel,

Thank you for your email and inquiry regarding formaldehyde. We can respond to your questions next week. Do you have a specific deadline for getting the information?

All the best,

Jeff

Subject: Inquiry

Dear Mr. Morris,

My name is Daniel, I am an editir of the Russian trade-journal Lesnaya
industriya. https://en.wikipedia.org/wiki/Lesnaya_Industriya, <http://www.lesindustry.ru/>

This is the largest trade-journal in Russia on forest industry. Now we are witing an article about
the content of formaldehyde in wood plate and composite materials. So, we have some
questions about new law on the Level of formaldehyde content in USA. We would like to get a
comment on this topic. The questions are in the application. Contact me, please, if you can give
us a comment.
